When we moved this summer, we had to say goodbye to our house, old neighbourhood, and our fitness instructor! Luckily, we workout at Lean Extremes, a national chain with over 300 locations across the country. When we arrived in Maryland, it was so easy to settle in... We love our new home, hit it off with the neighbours and didn't miss a set. Thanks to Lean Extremes. To find out where the nearest Lean Extremes location is to you, visit their website and click on their directory. That's Lean Extremes, your #1 club for fitness across America.
