

QUESTION 10: PROPOSE A SOLUTION

Directions:

In this part of the test, you will be presented with a problem and asked to propose a solution. You will have 30 seconds to prepare. Then you will have 60 seconds to speak. In your response, be sure to show that you recognize the problem, and propose a way of dealing with the problem.

Hello, is this Woody Furniture Design? My name is Billy Winkle, and I am a furniture contractor and I badly need a custom-made table for a loyal customer I have. The design he wants is unusual. So, what would I like you to do is to make this table for me. This is to be done until next week. My apologies for this very short notice, but this is such a very important job. I would appreciate it if you could ring me back and let me know what you can do for me on this matter. Thank you very much. This is Billy Winkle and my phone number is 223-1434.
