

Arm/ Hand/ Finger Idioms Lesson 5 - Beginners

first hand

- to see/experience/learn about something by direct personal experience

We learned about the car accident first hand when we were driving down the highway.

from hand to hand

- from one person to another person

We passed the dictionaries from hand to hand until everybody had one.

get out of hand

- to become difficult or impossible to control

The party got out of hand and the school authorities asked everyone to go home.
