

## ***Breathe/Breath Idioms***

### Breathe/ Breath Idioms Lesson 12 - Beginners

#### **able to breathe easily/freely again**

- able to relax after a busy and stressful time

I was able to breathe easily again when I knew that I would not miss my flight.

#### **at the top of one`s lungs**

- with a very loud voice

I yelled at the top of my lungs to get the man's attention.

#### **breathe easy/easier**

- relax after a busy and stressful time

I could breathe easy when I finished my essay and gave it to my teacher.
