

Online Library Service

These days, libraries offer many different kinds of services. One example is service on the Internet. With such online services, people can find books without visiting libraries, and so they can save time. This service is being used not only in Japan but also in many countries around the world.

A

B

No.1 According to the passage, how can people save time with online library service?

By finding books without visiting libraries.

No.2 Now, please look at the people in Picture A. They are doing different things. Tell me as much as you can about what they are doing.

A girl is watching a video [movie]./A man is mopping [cleaning] the floor./A boy is using a computer [the internet]./A woman is taking a magazine off the shelf./A man is lifting a box.

No.3 Now, look at the man wearing glasses in Picture B. Please, describe the situation.

He wants to read a newspaper, but there aren't any (on the rack).

Now, Mr./Ms. _____, please turn over the card and put it down.

No.4 Do you think your town should have more libraries?

Yes. → Why?

The library in my town is often crowded. It takes library users a long time to check out

books.

No. → Why not?

Not many people use the libraries in my town. Today, people can get information on the Internet at home.

No.5 A lot of people enjoy taking pictures while traveling. Do you like taking pictures when you travel?

Yes. → Why?

I think it's a good way to remember my trips. Also, I can show those pictures to my friends.

No. → Why not?

I'm not very good at taking pictures. But my friends often take pictures when we travel together.
