We're in Australia!

### John and Lisa's Travel Blog

Great Barrier Reef, Australia

## G'day from the Great Barrier Reef in Australia!

Today we went scuba diving. We swam slowly around the coral and saw some clownfish. They were very colorful and friendly.

Then we saw a big sea turtle. Turtles are not graceful on land, but they are very graceful in the water.

We swam back to the boat. Dolphins swam next to us and jumped out of the water.

This is the world's largest coral reef. It's a beautiful underwater world!

*g'day* = good day

### What About You?

- Can you swim underwater?
- What can you see underwater?
